Defy Marketplace Gravity

Succeed No Matter What This Economy Does

Really? You are still watching the news, reading the reports and surfing the internet looking for that one guru, that wizard who can tell you what this economy is going to do? Wake up! This is *not* your mama's economy. It is moving fast. Changing *constantly*. And it crushes businesses who can't keep up.

Your success *depends on your ability* to build a business and develop a team that thrives on change and eats stagnation for lunch. This is a world where market fluctuations are the norm and competition grows like kudzu. **It is time for you to defy marketplace gravity!**

In this program, you will learn the business growth strategies you need to dominate your market. Build a team that *thrives* in change. Design a strategy that *gets results*. Get above the white noise. And leave the competition in the dust. Defy marketplace gravity and you leave your competition in the dust!

"You just gave me a million dollars worth of information - paid for this conference 10x over. Your message, your energy - you are exactly what every sales professional needs, "
Ken Williams, CEO Allied

"You rocked the @AA ISP #LC2017 stage!"
Jill Rowley, Digital Sales Transformation Expert, 14-years SAS

LEADERSHIP

Leadership Redefined

Ownership, Engagement, Results!

Employee engagement trumps customer engagement ... every single time! The relationship you build with your employees is more important than the relationship you build with your customers. Yeah you heard me. Think about it! In today's world it is not your product or service that is growing your bottom line it's the experience your customers tweet about. The path to profitability and business growth is through employee engagement.

In this program your leaders will discover why engaging today's employees is different, how to build a culture that makes the best and the brightest want to beat a path to your door. How to use employee engagement as the ultimate competitive advantage. Happy employees deliver great customer service & happy customers come back time after time!

"The feedback we got is phenomenal. They loved you and the information you presented. We closed business before you left the stage – thank you!"

Paul Stowell, City National Bank
